2nd at Rough Guides Top 10 Cities 2015

(<http://www.roughguides.com/best-places/2015/top-10-cities/>)

A top 20 Destination for 2015 - The Telegraph

(<http://www.telegraph.co.uk/travel/travelnews/11315587/20-destinations-for-2015.html>)

And now it has its own travel guide too!

New: Travel Guide for the city of Málaga

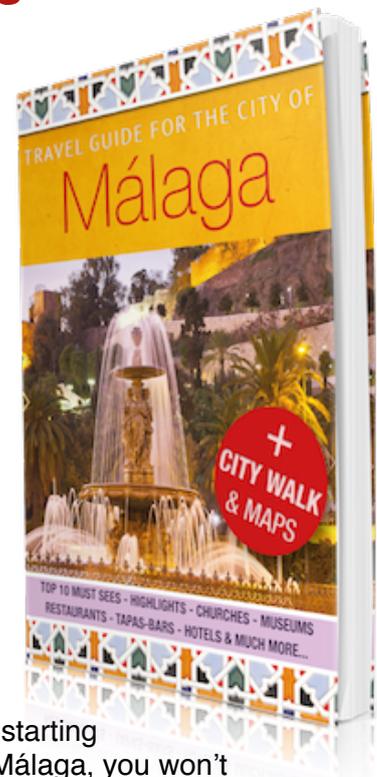

A beautiful, practical, fully illustrated travel guide about the city of Málaga

A fresh new year and people are gearing up for city trips and summer holidays. The perfect time to tell them about Málaga as a great holiday destination. And there is no better way to do so than to point out this brand new, contemporary travel guide!

Malaga is 'hot'. Recently, this city on the Mediterranean has reinvented itself and has gained growing interest of the international tourist. Sparkling and welcoming Málaga offers its visitors a brilliant combination of sun, sea, mountains, art, culture and gastronomy. This vibrant city deserves its own travel guide and it is available right now!

A Perfect City Trip Destination

With over 300 days of sun per year and mild temperatures during the short winter months, Málaga is a perfect city trip destination or a good starting point for a lovely holiday in Andalusia. Just spend a couple of days in Málaga, you won't regret it.

About the author

Anne Pennekamp (1962) is a big fan of Spain and Spanish culture. She and her husband own the popular website www.doscortados.eu. When she visited Malaga for the first time, she was immediately fascinated by the special atmosphere of the city and impressed by the friendliness of its inhabitants. After many months of intense research, she wrote this contemporary, colorful and quit unique city guide.

What our readers say...

"I bought this guide for my first visit to Malaga. Both my wife and I found the book informative and very useful. We especially liked the walking tour of Malaga which took us to places which we would not have found otherwise. All in all the guide was very good and I would thoroughly recommend it."

Richard – Peterborough, UK

Love it, great insight regarding lovely Malaga with al lot of usefull tips, reviews, city walks and great restaurants and tapas bars.

Patricia – Almayate, Spain

My first impression of the Travel Guide Malaga was, I admit, of disappointment. How could such a slim volume have everything wanted in a travel guide?

I am glad to report that after study, I can say that it works very well, indeed, it has made me realize that most guide books are actually padded out with all sorts of things which are of little interest.

I shall definitely be keeping a look out for future publications from Liberty Lab!

Jonathan – Buckingham, UK
